TO THE BLACK HILLS

Rate Bulletin No. 15.

Always in the advance with reliable information, and with valuable points for prospective gold seekers in the Black Hills of Dakota and Wyoming, we are enabled to announce the following rates via the old reliable

Chicago & North-Western RAILWAY.

And its connections. This is the only route you should attempt to take.

MAP of the Chicago & North-Western to the Gold Hills.

FOR OTHER RELIABLE INFORMATION,

Send 50 cents and your address to Hand, McNally & Co., Chicago, Ill., and they will send you "Guide to the Black Hills," containing Map of the United States, and another (Miner's) Map of the entire Black Hills Country.

As soon as further reliable information in regard to rates and routes shall be obtained, Bulletin No. 16 will be issued. April 10, 1878.

No other road can offer such routes to select from. The rates of fare by the CHICAGO & NORTH-WESTERN RAILWAY are always as low as by any other route. Before you buy your Tickets, call at our Ticket Office and see what we can do for you. We can give you choice of First or Emigrant Tickets, and check your baggage and "outfit" to Bismarck, Sidney or Cheyenne.

See that your Tickets read by the route above indicated, and buy none others.
